GREEN BUSINESS LOAN

FINANCE YOUR REVERSE VENDING
MACHINE WITH DUBCO IRELAND

Dubco Ireland has partnered with the CSNA to offer a New Deal for CSNA members in order to provide a finance option for retailers looking to secure financing for reverse vending equipment for Ireland's new national Deposit Return Scheme which was established to help Ireland achieve EU recycling targets for the estimated 2 billion drinks bottles and cans that are consumed here each year.

Green Business Loans will be provided to all CSNA members who join Dubco Ireland and finance their participation in the development and rollout of the Re-Turn Scheme.

The initiative is expected to go live for Irish consumers in February 2024.
